THE CHRISTIAN SAINTS OF TURKEY by Dr. Andrew Jackson

**available only in Turkey*

Amazon name:

**TURKEY: A GUIDE INSIDE THE EARLY
CHURCH OF ASIA MINOR: 300 PROFILES**

The Christian Saints of Turkey is an introductory guide to people, places, events, and texts of the early church of Asia Minor (*modern Turkey*). The time frame of the book is more functional than academic, it begins with the New Testament and ends in 1453. The book's layout is unique and user-friendly. It contains 300 short descriptive "profiles" that are listed numerically (1 to 300), with no chapters. The numbering system allows for cross-referencing within the individual "profiles." The book also includes two table of contents, one chronological and the other geographical. The goal of the book is help people worldwide not only discover that Turkey is the land of the Bible, but it is also the primary and central land of the early church. There is no other book of its kind available today.
